FLOOD RAVAGES CAUSE RUIN

East St. Louis at the Mercy of the Flood.

ROCK ISLAND HAS RESUMED BUSINESS

Famous Filipino Outlaw Captured on the Island of Luzon.

St. Louis, June 11.—The situation in East St. Louis remains about the same as last night. The flood on the south is still being held back at Missouri avenue, where the levee is being watched incessantly, as elsewhere, by thousands of workers ready with bags of sand to close any break that may occur. The decline in the river's stage of a fraction of an inch since last night does not make any apparent difference in the height of the flood but shows that the river has a tendency to fall.

The stage at 7 a. m. was 37.9. This may relieve the situation greatly during the day if the fall continues, but until there is a decided decline in the flood the city will be at the mercy of the wall of water that surrounds it on three sides.

Martial Law.

East St. Louis, June 11.—Martial law in East St. Louis was put in operation this morning by Mayor Cook. The same time an order was issued for closing all the saloons.

Rock Island Resumes Business.

Denver, Colo., June 11.—Regular train service was resumed today over the Rock Island between Colorado points and Kansas City via Topeka and over all other parts of the system.

Famous Outlaw Captured.

Manila, June 11.—The constabulary yesterday captured in Rizal province Faustino Guillermo, the famous outlaw in the island of Luzon. Guillermo approached a detachment of constabulary and offered the men a bribe to desert and join him. A successful trap was planned and Guillermo was made a prisoner. During and since the insurrection he has committed many murders and robbery.

Earthquake Shock.

San Francisco, Cal., June 11.—A sharp shock of earthquake was experienced here at 5:12 o'clock this morning. The shocks were quite heavy, lasting over ten seconds. No damage is reported. The shock was felt in a number of coast towns.

Excited Stock Market.

New York, June 11.—Uncovered bear operators in stocks made a panic rush to cover their shorts this morning, causing a rebound in prices, which exceeded in violence the demoralizing slump at yesterday's opening. There was some reaction after the opening, but prices were well sustained at a level within a point below the first quotations. The uneasiness of the bears seemed due to the unexpectedly good showing made by the government crop report.

Tried to Bribe Witness.

Jackson, Ky., June 11.—Capt. B. J. Ewen stated today to State Inspector Hines, who is Governor Beckham's personal representative here, that he (Ewen) was offered five \$1,000 bills to testify in the Jett case that he was excited immediately after the shooting, and did not remember whether he saw Jett or not. For his better protection Captain Ewen was today taken to the military camp.

THE CELEBRATION.

Things Going Along Nicely and the Biggest Celebration Ever Held in the Southwest Is Assured.

The general executive committee of the Central Labor union's Fourth of July celebration met last evening. The committee added the names of Commander J. W. Edwards and Adjutant W. W. MacDonald of the Grand Army of the Republic to the list on the honorary reception committee. It was also voted to extend an invitation to Governor Otero and staff to be the

guests of the Central Labor union on the Fourth.

The appropriation for the fireworks has been increased and this feature of the program will be worth alone coming many miles to see. A clay pigeon shoot is promised, and this will be added to the program. You will be surprised at the number of people that will come here from all over the territory for the celebration on July 4 and 5, and what is more, you'll be surprised at the celebration. It's going to be a corker and things will hum for everybody. Every one should lend a helping hand, too. You can do it in some way or other. It is going to benefit the labor unions of the city; it's going to benefit Albuquerque, and it's going to benefit everybody and everybody who attends. So whoop'er up!

THE EAGLES.

Will Observe Second Anniversary Tonight in Knights of Pythias Hall in Great Style.

This evening in Knights of Pythias hall there will be something doing. The Albuquerque eagle, order of Eagles, will celebrate with their invited guests the second anniversary of the order in this city.

Everything has been done to make the affair an enjoyable one, and those who are there will be made to feel right at home from the start to the drop of the curtain. It is to be a smoker with lots of good things thrown in. There will be plenty to eat and to drink for the inner man, so that he won't come away with an appetite.

The Eagles are Al entertainers and will keep up the reputation this evening. Those outside of the order who get an invitation will be sure to be on hand. The program will include instrumental and vocal music and dancing.

The Eagles will transact lodge business at 8 p. m. and invited guests requested to come at 9 p. m.

Mayor Indicted.

Pittsburg, Pa., June 11.—The grand jury has returned a true bill against William B. Hayes, mayor of Pittsburg, charging him with misdemeanor in discharging Samuel Moore from the city employ. Moore was an official in the ordinance bureau of the city and an old soldier, and old soldiers of the country have taken up the matter and will make a test case in Moore's behalf.

Bank Statement.

Washington, June 11.—The comptroller of the currency has issued a call for the condition of national banks at the close of business Tuesday, June 9th.

Death at Pajarito.

Jesus Barajas, of Pajarito, died yesterday evening at 6 o'clock after a long sickness, aged 63 years. He was the brother in law of W. H. Metzger, and his living two brothers and three sisters. Burial will take place at Pajarito tomorrow morning.

Destructive Fire.

Rochester, June 11.—Damage estimated at six or eight hundred thousand dollars was caused by fire today. The blaze started in the Hancock building, which, with the brick Presbyterian church adjoining, was destroyed. An entire row of houses in Fitzgerald street and several buildings in State and Allen streets were badly damaged. No loss of life.

Fight With Indians.

Lander, Wyo., June 11.—A fight occurred yesterday on the reservation between five Shoshone Indians and ten Indian police in which two police

were injured. The Indians had gotten possession of a quantity of whisky and were holding an orgy when the police tried to arrest them. The Indians finally were arrested after the fight.

Arizona Strike Trouble.

Los Angeles, June 11.—A delayed telegram from Morenci, dated yesterday, states that thus far there has been no violence on the part of the striking miners there, and no loss of life or property. The tie-up is practically complete, save for a limited amount of work being carried on by the outside employees of the Detroit Copper company. There was no demonstration yesterday, and no attempt to interfere with the work being done.

Danger of Lynching Passed.

Kansas City, June 11.—A special to the Star from St. Francis, Kas., says that all is quiet there today, and all danger of a clash between settlers and the militia appears to have been passed at least for the present. The preliminary trials have been set for next Tuesday, and a majority of the ranchers who came to witness the proceedings are returning home. Dewey still refuses to make any statement regarding the fight last Wednesday.

THE "EL PASO KID."

Charged With Stealing \$400 Worth of Diamonds—Held for Grand Jury.

UNDER \$1,000 BAIL.

The "El Paso Kid," the colored youth who was a high roller in the downtown third street colony, is safely lodged in the county jail over in old town. Here he will eat and sleep until the grand jury take action on his deeds, which are shady.

His hearing came up before Judge Crawford late yesterday afternoon. The "El Paso Kid" has very little respect for the truth, in fact he doesn't have any regard for it whatever. Some time ago he hit the town, coming here from the Pass city, and took up his abode in the Third street colony. He was such an entertaining, good natured and good looking youth that he soon found employment. Miss Lillian Williams on West Copper avenue hired him to do this and that around the house and make himself useful.

The "El Paso Kid's" sporting blood lollied to be a bigger sport, so he did make himself useful and very much disuseful to Miss Williams. Last Friday afternoon he invaded her jewelry box and got away with nearly \$400 worth of her choice gems. The "Kid" lit out with them and got away up to Raton, when the cruel arm of the law nabbed him on Monday. Deputy Sheriff Newcomer of this city went after him and brought him back Tuesday night. They have the "Kid," but the jewelry has disappeared and no trace of it can be found.

The "Kid" is such a liar and has so many names that not much could be learned at the hearing. First he'd tell one story and then that would contradict. He told City Marshal McMillin that his name was Major Toney and that his father's name was Toney Major. It is evident that he or his father was twisted when he was born. The "Kid" denied ever working for Miss Williams in the face of positive evidence that he did.

Such cheerful, straight, honest lying has not been heard in the police court for years. Judge Crawford found sufficient evidence and the "Kid" was bound over under \$1,000 bail. Friday evening at 7:45 o'clock regular Sabbath services will be held at Temple Albert, corner Seventh street and West Gold avenue. Rabbi Jacob H. Kaplan will lecture the last time this year. "To See Clearly Is to Do Well" is the subject of the sermon. After this Friday evening's service the temple will be closed for two months. Everybody is welcome to the closing service.

Colonel D. W. Packard, the right-hand man for W. L. Douglas, who is the largest shoe manufacturer in the world, will leave Sunday for Denver, where he will spend several days. The colonel is stopping at the Alvarado and will return again. He says Albuquerque has the best all around climate in the world.

BIG CLOUDBURST

Town of Clifton Visited by a Terrible Flood.

PROPERTY LOSS ABOUT \$30,000

Thirty People Drowned and Great Distress Reported.

RAILROAD SUSTAINS A HEAVY LOSS

A special dispatch to the El Paso News from Clifton, Ariz., says that a terrible flood visited that city. The loss is about \$100,000 and the dead number about thirty. The scene is something terrible.

The Details.

A cloudburst occurred on Chase creek yesterday afternoon which did a vast amount of damage to the town of Clifton.

It is estimated that between fifteen and twenty people were drowned. So far twelve bodies have been recovered, but many others are known to be lost in the flood.

It came down Chase creek with a breast of eight feet, giving people no time to make their escape from their homes and buildings.

The north side of Copper avenue was mostly destroyed and the stores on the south side of the street were flooded with five or six feet of water. The Bessemer cafe building, the Manila Bay saloon, the Exchange saloon and a number of other buildings were washed away.

The cook and two waitresses in the cafe were drowned.

Susie's Chinese store was swept away and two Chinamen drowned. The Metcalf train from Clifton to Metcalf met the flood about three miles above town.

The engineer stopped the train and about sixty passengers made their escape before the worst of the flood struck the train, which was doubled up and rolled into the seething torrent of rushing waters.

The track between Clifton and Metcalf, eight miles, is probably ruined.

The flood lasted for only an hour, but many buildings were destroyed and the damage will amount to a large sum.

Morenci was not damaged by the flood, but the Morenci & Southwestern railroad trestle which spans the canyon was washed out. The flood came down the Morenci canyon with a breast of twenty feet.

Several teams in the canyon were washed away, but the drivers managed to escape.

Had the flood occurred at night sev-

SHOT BY A NEGRO.

Marshal Jones of Raton Was Fatally Wounded Last Night.

WILL BE LYNCHED IF CAUGHT.

Special to The Citizen. Raton, N. M., June 11.—At 11:30 last night John Jones, night marshal, was fatally shot by a negro who immediately fled. A posse of 200 armed citizens are now scouring the surrounding country, and the negro will be lynched if caught. The marshal had tried to arrest one of the three negroes in a saloon. One of the other negroes ran to the front door and fired two shots at the officer from behind a screen and then fled.

Murderer Captured.

Trinidad, Colo., June 11.—The negro porter who murdered Night Marshal John Jones at Raton, N. M., last night was captured about 3:30 o'clock this morning, and, together with his companions, is now in the custody of the sheriff. Great excitement prevails and the lynching of all three negroes will undoubtedly occur tonight.

eral hundred people would have been drowned.

It will be many days before the wreckage can be cleared away and all the bodies recovered.

The loss to the Arizona Copper company will be quite heavy and will cause the suspension of operations for some weeks to repair the railroad to Metcalf and the company's plant.

Bank Failure.

Birmingham, Ala., June 11.—The doors of the Bessemer Savings bank and the Bank of Commerce, both located at Bessemer, Ala., failed to open today as a result of the shortage and supposed flight of T. J. Cornwell, president of the first-named bank. None of the Birmingham banks is affected by the failures.

KING AND QUEEN SHOT TO DEATH

Servia's Rulers Assassinated in the Royal Palace.

TROOPS REVOLT AGAINST DESPOTISM

New Government Formed and Princeling Is Proclaimed King.

Belgrade, Servia, June 11.—King Alexander and Queen Draga were shot to death in the royal palace during the night. The deed was carried out by the army. Besides the king and queen, Premier Markovitch, General Petrovitch and former Minister of War Pavlovitch were shot.

Royal Household Slain.

Belgrade, Servia, June 11.—A military revolution broke out here last night. The troops, who revolted under the leadership of Major Anglovics, surrounded the palace, assassinated King Alexander, Queen Draga, the latter's sister, the queen's brother, Nikodem; Premier Markovitch, Ministers Petrovitch and Tudorovics, General Pavlovitch, former minister of war, and some of the members of the royal guard. Prince Karageorge Govitch was proclaimed king. A new government was formed and was issued to the Servian people.

People Excited.

Belgrade, June 11.—As the morning advanced the excitement in the streets grew steadily. In spite of the pouring rain, thousands of people gathered in the vicinity of the palace. Everywhere troops of all arms were posted and field guns were placed in position to quickly deal with any opposition to the newly formed government. The holders discarded their cockades bearing the late King Alexander's cipher and substituted for it flowers, green twigs and leaves. Bands of young men paraded the streets, waving flags and shouting "Long live Karageorgevitch." Flags are flying from nearly every house in Belgrade and there is absolutely no display whatever of crepe or other signs of mourning. The royal standard has been lowered from over the palace. Reports from places outside Belgrade indicate that the country accepts the disappearance of the Obrenovitch dynasty without regret.

Cause of the Revolution.

London, June 11.—The Servian minister said there were many causes leading to the revolution. A large section of the people were greatly dissatisfied with the tendency of King Alexander to eliminate the radical element from the government and by the constant rumors of his intention to appoint Queen Draga's brother, Lujeviza, heir apparent. In addition to this the queen was disliked by the people who were also intensely outraged at the recent suspension of the constitution. The minister did not anticipate that the changes would result in internecine strife, or in any real dangers to the country. He pointed out that the original Karageorge was not a prince. He was a rich swine owner. The father of the new king was made a prince in 1842. The universal anxiety of the governments of Europe for peace is advanced as a reason why the Servian situation is not likely to lead to complications. Should, however, these unexpectedly arise official circles think an Austro-Hungarian army will immediately march into Servia and restore order. This, eventually, however, is considered improbable.

London, June 11.—A special dispatch to the Times alleges that nearly a hundred persons were killed last night at Belgrade, but there is no confirmation of this report from elsewhere.

Story of the Tragedy.

Cologne, June 11.—The Cologne Gazette prints a dispatch from Belgrade, which says a story is current there that the late King Alexander was recently considering effecting separation from Queen Draga and that the latter becoming aware of this, planned preventative measures. Some high mili-

tary officers last night, the dispatch adds, entered the palace and tried to carry off the queen by force, but encountered strong resistance on the part of the queen's partisans, and in the fierce struggle which followed the king and queen and their respective supporters were killed. The ministers who shared the fate of their sovereigns were the leading spirits of the Obrenovitch party. Their murder removes the only men capable of making a real stand against the Karageorgevitchs who have now no serious opposition in Servia.

End of Dynasty.

Cologne, June 11.—A telegram from Belgrade says: "The career of the Obrenovitch dynasty was closed in the early hours of this morning, the same day of the year on which Prince Michael was murdered thirty-five years ago in the park of Topstschider near Belgrade. Today a requiem mass was being sung in memory of Prince Michael and now the last of his race, together with all connected with the dynasty by his unfortunate marriage, lies in a bier in the palace at Belgrade. The people of Belgrade have been flocking the streets since 3 o'clock this morning discussing the tragedy but without condemnation. A strong detachment of troops is encamped about the palace of the newly proclaimed king, who was a pretender to the throne for many years. He was born in Belgrade in 1846 and was married in 1883 to Princess Zorka, daughter of Prince Nicholas of Montenegro. She died in 1890.

Tragic Deed.

Berlin, June 11.—The Frankfort Zeitung, in its version of the tragedy at Belgrade, says that when the troops entered the royal bed room, King Alexander seized a revolver and shot the queen and then killed himself.

REV. ROBERT RENISON RESIGNS.

Goes to Sacramento, Cal., to Accept Rectorate of Trinity Church.

Rev. Robert Renison, rector of St. John's Episcopal church of this city for the past five years, has resigned to accept the rectorate of the Trinity church in Sacramento, Cal.

Rev. Mr. Renison and his family expect to leave the last of the month. Since residing here they have made a host of friends who greatly regret their departure. His pastorate here has been very successful, and in his new field of labor it is the wish of all that he be blessed with greater success. His new charge is one of the most flourishing churches in that city.

The vestry will accept his resignation and St. John's church will be closed from the first of July until the first of September. By that time it is hoped that his successor will have been chosen. Mr. W. J. Johnson has been re-elected senior warden and Felix Lester junior warden.

HAD COUNTERFEIT COIN.

Jesus Perez Placed in the County Jail on Serious Charge.

Jesus Perez, a native who says he is a railroad, is over in the county jail in Old Albuquerque.

Perez is charged with a serious offense, that of trying to pass a counterfeit \$5 gold piece. He was brought in from Isleta last night, where he tried to get the "queer" changed. The prisoner says it was given to him. The counterfeit is a peculiar one, inasmuch that the face is in a United States die, while the back is in Mexican.

He will be arraigned this afternoon before Judge Whiting and his trial will probably come off on Monday. A number of witnesses have been summoned.
